COUNTRY OF ORIGIN LETTER

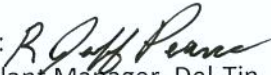

To Whom It May Concern,

Please be advised that the following part numbers are of the indicated point of Manufacture. These goods were exported from the U.S. without benefit of drawback.

Note: In order for a product to be considered of U.S. origin that product must be:

Manufactured within the Customs territory of the U.S., and may consist wholly of U.S. components, or U.S. and foreign components, or wholly of foreign components. If the articles consist wholly or partially of foreign components, the manufacturing process must be such that the foreign components have been substantially transformed or merged, into a new and different article.

This is effective for calendar year **2014**, however, if the facts of the situation change, you will be immediately advised.
